Sustainability First!
Combine washing and
distilling

Why a CLEANfleX?

EFFICIENT CLEANING:

Oscillating spray bars with optimized nozzle arrangement and short spraying distance.

EASY HANDLING:

Frontloader for easy (un)loading and cleanliness around the machine.

SAFE USE:

Explosion protection according to ATEX, category 1 (with type examination) for zone 0 inside, category 2 for zone 1 outside the machine.

ROBUST DESIGN:

High-quality components like pumps and ventilators. Long life cycle with regular maintenance.

Oscillating spray bars

Rinsing system

You need more? CLEANfleX-maX is the answer

Bigger machines for more parts

Hose cleaning and vessel cleaning as accessory available
